

**P4 and P5 2021 – 2022**

**Class Supply List**

**Miss Doyle**

The following stationery items should be **labelled** with your child's name to avoid confusion in the classroom:

- 1 sharpener with a compartment if possible to hold sharpenings
- 1 pritt stick labelled
- 1 packet of colouring pencils / 1 packet of felt tip pens. No sharpies, please.

All stationery items should be in **one** pencil case (a basic pencil case to help with storage) which will **remain** in school.

Other essential stationery items that will be needed in P4/5 will be provided by the school, these stationery packs will include the following labelled items:

- 2 writing pencils
- 1 rubber
- Scissors
- Whiteboard marker / rubber

Each child should also have their own packet of tissues and a hand sanitiser (labelled). These items will **remain** in school.

I would suggest investing in a dictionary for your child if you haven't already got one at home. This should be **kept at home** and your child should be encouraged to use it during homework activities so they can build on their dictionary skills learnt in school.

**It is also important to ensure that your child's school/PE uniform and water bottle is labelled with their full name to avoid confusion or loss of items.**
