Dear Parents

I hope you all have had a lovely Easter break, we certainly had plenty of sunshine. I just want to remind you all that remote learning will start again on Monday 20th April. Remember to log on to Seesaw each morning as your teacher will be posting daily tasks and marking your work. We are all looking forward to hearing about what you have been getting up to. We really miss seeing everyone and hearing your wonderful stories but I know you will keep us posted through Seesaw.

School Updates

- Please download the Schools NI app and ensure you have set Mullaglass PS as a favourite.

Key Workers

Parents who needed to avail of this service for next week were asked to have emailed myself by 3pm today. If you feel that you will need supervision over the next number of weeks, please inform me by email.

In the email, please include:

- Name/s of child / ren
- Day/s that you require support
- Hours that you require support

This service can only be provided with adequate staff cover. As mentioned before, this service is for **key worker parents** who are using school as a **last resort**. Every alternative childcare arrangement should be explored before deciding to send children to school. This is in order to comply with general public health advice on social distancing and limit the number of children and adults together in a small space in line with PHA guidance.

Thank you for your continued support during these challenging times. I will be in school all next week so if you have any queries or concerns, feel free to phone the school for a chat. Have a lovely weekend everyone.
