P1/2

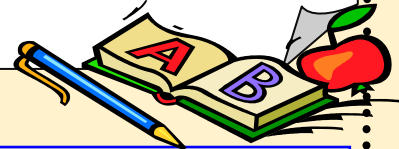

"It has been so lovely to welcome our P2 pupils back to school and to welcome our new P1s to Mullaglass. Everyone has settled in really well. P1/2 have had a great week this week. One of the highlights has been exploring the garden during outdoor play. We have been making water pathways, digging for treasure and exploring in the bushes. We have also been doing lots of sorting in Numeracy - we have been sorting fruit, animals, cars and even Miss Best's socks! Our topic is Ourselves and we are going to talk about growing up and about our families. It would be great if everyone could send a baby picture and a family photo through Seesaw so we can show our friends." Miss Best

Reminders

- Text service is now up and running!
- All pupils received an information letter on Friday
- please read over.

P3/4

"P3/4 have settled brilliantly back into school and have developed a very good daily routine which is great. This week in literacy we have been focusing on using the correct punctuation in our sentences, finding out how we can describe ourselves by using adjectives and learning about Roald Dahl. During numeracy P3 have been recalling their number bonds to 10 and adding within 20. The P4s have been recalling their number bonds to 20 and adding 10 to a given number within 100. Our topic this term will be 'The Great Fire of London' and our class novel is 'Fantastic Mr Fox'." Miss Doyle

P6/7

"P6/7 have taken part in a variety of lessons this week. We've been outdoors for some P.E. and circle time. Inside the classroom we've been revising ending punctuation and subtraction. With the anniversary of Roald Dahl's birthday this week, P6/7 have been working on a project based on the famous author's novel 'Charlie and the Chocolate Factory'. P6/7 have been employed by Willy Wonka to create a new sweet! They've been working hard in groups to plan, design, describe and showcase their new sweet. Check out the school website to see the photos of their magical creations." Mrs Weir

P5

"We have focused on using capital letters in sentences this week as well as punctuating larger pieces of text. We continued to read our class novel 'The Demon Dentist' and designed lots of ghastly 'gifts' you might wake up to under your pillow! We enjoyed our Roald Dahl Day activities. In Numeracy, we continued to look at 2D shape properties. We focused on ordering 4 digit numbers as well as focusing on numbers inside 10,000. We had lots of fun with our PE games and we started to learn a little about our new topic 'WW2'." Mr Greenaway (4 days) /Mrs McKendry (1 day)

"I am so happy to finally welcome all the pupils back to Mullaglass Primary School. I have been so impressed with how all the pupils, staff and parents have adapted seamlessly to the adjustments made. I would like to thank all the Mullaglass community for their help and support during these difficult times. I can assure everyone that, as a school, we are ensuring that the children are safe, learning and happy throughout the school day. Have a lovely weekend." Mr Greenaway (Principal)
