Monday 4th January 2021

Dear Parents / Carers,

From Tuesday 5th - Friday 8th January, all learning will take place remotely through Seesaw. Teachers will be making regular contact with their pupils through the Seesaw Class App. Teachers will be available between the hours of 9:00am - 3:30pm.

You can send work at any time throughout the day however please be mindful that the teacher may not have all work marked instantly.

School email addresses of teachers are below so that parents can contact them if they have any questions throughout next week. Teachers may not be able to respond immediately. Alternatively, you can contact the teacher through Seesaw with any questions.

P1/2 Miss Best - kbest953@c2kni.net

P3/4 Miss Doyle - cdoyle208@c2kni.net

P5 Mr Greenaway - pgreenaway945@c2kni.net

P6/7 Mrs Weir - aweir157@c2kni.net

AQE

We will be emailing three AQE Practice Papers today to all parents with the mark scheme. We will also upload three AQE Practice Paper Videos explaining each paper, each day. Mrs Weir will provide a little more information to parents today.

Please do not worry or stress about this week as I know how difficult it is to manage work and family life as well as now remote learning. If you don't get some work complete - that is ok! You can try and get caught up the next day.

We are only a phone call away if you are finding work difficult or just for a wee chat! I will be in touch when I hear any new information regarding next week.

Yours sincerely

Mr P Greenaway
Principal
