## Our teacher says...

A busy week in P1/2 with the children enjoying the Shared Education visit from Kingsmills. Lots of fun outdoor activities and learning for the children. We now look forward to a well-deserved break after such hard work from all the pupils throughout this term. Have a lovely and safe Easter break. **Mrs Ward P1/2**

This week in Literacy we have been identifying homophones. The children have been very enthusiastic, thinking of lots of homophones that we use daily and spotting them in their reading books. We have been recapping time. The children have developed a good grasp of time & have used this knowledge to solve time related word problems. It has been a very busy & enjoyable term in P3. **Miss Doyle P3**

This week we have been focusing on creative writing in P4/5. We were focusing on using 'wow' words for our descriptions & talking about our five senses when describing an imaginary secret garden door and also a funfair. For Numeracy, P4 have been adding & subtracting fractions as well as solving equivalent fractions. P5 were learning about improper fractions & converting improper fractions to mixed numbers. It has been a very enjoyable term for P4/5 & we wish the children a great Easter. **Mr Greenaway/Miss McKeown P4/5**

Another busy week, as our Shared Education project comes to an end. Children have worked incredibly hard and shared some wonderful experiences in the fields of music, drama, art and even sports - working together and playing together. We brought our Space topic to a close and look forward to our Term 3 theme of 'The Titanic'. Time now for a well-earned break. Enjoy your Easter Holiday and see you all safe and well on the 29<sup>th</sup> April. **Mr Bradshaw P6/7**
